What Every Parent Should Know About the KĀ'EO Assessments

He aha ka mo'olelo o ka Hō'ike 'ōlelo Hawai'i?

What is the history of Hawaiian Language assessments in Hawai'i?

I mea e mālama a kāko'o ai i ka 'ōlelo a me ka mo'omeheu Hawai'i, e like me ka mea e koi 'ia nei ma ka 'Atikala X, Māhele 4 o ke Kumu Kānāwai o ka Moku'āina 'o Hawai'i, a me ka ho'oholo a ka 'Aha Ho'okolokolo Ki'eki'e ma 'Aukake i ka makahiki 2019, ua ho'okumu 'o Hawai'i i 'elua ala 'ōlelo, 'o ia ho'i ka 'ōlelo Hawai'i a me ka 'ōlelo Pelekānia, ma lalo o ho'okahi huikaina ana. E ana 'ia ana nā haumāna o nā kula kaiapuni 'ōlelo Hawai'i ma o nā hō'ike KĀ'EO, 'o ia ka hō'ike i kūkulu 'ia me ka ho'ohana 'ana i ka 'ōlelo Hawai'i i kahua nona. 'O ke ala 'ōlelo Hawai'i ho'i kēia e ho'ohana ai i kēia huikaina ana ma loko o ke kaia'ōlelo Hawai'i.

In order to preserve and promote the native Hawaiian Language and culture, as required by Article X, Section 4 of the Constitution of the State of Hawai'i, and the Hawai'i Supreme Court decision of August 2019, Hawai'i has created both English and Hawaiian Language paths within the unified set of academic content standards. Students enrolled in Hawaiian Language Immersion programs approach the standards in Hawaiian Language medium and are assessed using the KĀ'EO, which is developed using the Hawaiian Language framework. This framework is the application of the unified state standards in a Hawaiian Language medium context.

I mea e ho'okō kūpono 'ia ai ke Kumu Kānāwai o ka Moku'āina 'o Hawai'i, 'ōlelo 'ia ma ke Kulekele 105-8 i 'āpono 'ia e ka Papa Ho'ona'auao o ka Moku'āina 'o Hawai'i, penei:

E ho'olako ka Papahana Kaiapuni i nā haumāna i ala e ho'ona'auao 'ia ai ma ka 'ōlelo Hawai'i. Ho'ohui kēia papahana i ka ho'ohana 'ia o nā ki'ina hana a'o Hawai'i, ka 'ōlelo, ka mō'aukala, ka mo'omeheu, a me nā waiwai e ho'omākaukau ai i nā haumāna no ke kulanui, nā 'oihana, a e lilo ai ho'i i lālā kaiāulu maika'i ma loko o kekahi kaiapuni o nā mo'omeheu like 'ole.

To fulfill the requirements of the Hawai'i State Constitution, the Hawai'i State Board of Education adopted Policy 105-8:

The Kaiapuni Educational Program offers students an education in the medium of the Hawaiian Language. The comprehensive program combines the use of Hawaiian teaching methodologies, language, history, culture and values to prepare students for college, career and to be community contributors within a multicultural society.

‘Ōlelo pū aku kēia kulekele, e haku ‘o HIDOE i nā ha‘awina a me nā ana i mea e ho‘omākaukau ai i nā haumāna no ke komo piha ma ke kulanui, nā ‘oihana, a me ke kaiāulu.

This policy further states that HIDOE develop curriculum and standards to prepare students for college, career, and community contribution.

He aha ka Hō‘ike KĀ‘EO?

What is the KĀ‘EO Assessment?

I ka makahiki 2014, ua hana pū ka ‘Oihana Ho‘ona‘auao o Hawai‘i me ke Kula Ho‘ona‘auao ma ke Kulanui o Hawai‘i ma Mānoa no ke kūkulu ‘ana i kekahi mau hō‘ike ‘ōlelo Hawai‘i no nā haumāna papa ‘ekolu me ‘ehā ma nā kula kaiapuni e like me kā ke Aupuni Pekelala e koi ana.

In 2014, the Hawai‘i Department of Education and the College of Education at the University of Hawai‘i at Mānoa collectively entered a contract to begin construction of Hawaiian Language assessment tests for Hawaiian Immersion students in grades three through four for Federal Accountability.

Ua ho‘omau aku nō kēia wahi papahana i ka haku hō‘ike ‘ana no ka papa ‘elima a i ka papa ‘ewalu. He hō‘ike kēia e kū pū ana me nā Hō‘ike Smarter Balanced Assessment no ka ‘ōlelo Pelekānia, ‘oia, ke ana aku nei ka Hō‘ike KĀ‘EO i nā ana a me nā ha‘awina e ho‘ohana ‘ia nei ma nā lumi papa o nā kula kaiapuni. ‘O ke kuana‘ike a me ka mo‘omeheu Hawai‘i ke kahua ko‘iko‘i o nā Hō‘ike KĀ‘EO.

The project advanced in the subsequent years with the development of assessment tests for grades five through eight. The KĀ‘EO assessment is comparable to the current Smarter Balanced Assessment for English in that it measures the curriculum utilized in the Hawaiian Language. The Hawaiian culture and worldview as the foundation of the KĀ‘EO tests is paramount.

He ala nā Hō‘ike KĀ‘EO e huliāmahi mai ai nā kula, nā kumu, nā mākua, ke kaiāulu, nā kulanui, nā loea mo‘omeheu Hawai‘i, nā loea hō‘ike o ke aupuni, a me ka ‘Oihana Ho‘ona‘auao o Hawai‘i, i mea e kūkulu pono a‘e ai i nā hō‘ike kūpono no nā kula kaiapuni.

KĀ‘EO has become a vehicle to bring the schools, teachers, parents, communities, universities, cultural experts, national assessment experts, and the Hawai‘i Department of Education together to collaborate and collectively build an appropriate assessment for our Kaiapuni students.

He aha ke ko'iko'i o ka hana 'ana i ka hō'ike 'ōlelo Hawai'i?

What is the significance of testing in Hawaiian Language?

I ka wā ma mua, he hana ma'amau no nā 'ohana ka hō'ole 'ana i ka hana hō'ike no ka mea, 'a'ole i kū a launa ho'i i ka pō'aiapili a'o o nā lumi papa ma nā kula kaiapuni. I kēia manawa na'e, kūkulu 'ia kēia mau hō'ike me ke kākō'o nui o nā kumu kula kaiapuni i hiki ke ana kūpono 'ia nā mea e a'o 'ia aku nei ma nā lumi papa.

Historically, families have opted out of testing because the assessment was not relevant to the classroom context of Kaiapuni learning. However, these tests have been developed through the unrelenting support of Hawaiian Immersion teachers to help ensure that what is being taught in classrooms are assessed appropriately.

Ua haku 'ia nā ana Mākau 'Ōlelo Hawai'i no kēia mau hō'ike, a i ka makahiki 2017 i 'āpono kūhelu 'ia ai ia mau ana Mākau 'Ōlelo Hawai'i e ka Papa Ho'ona'auao, me ka maopopo pū ho'i, 'o nā ana mākau 'ōlelo 'ōiwi mua loa kēia i 'āpono 'ia ma 'Amelika Hui Pū 'Ia. Ma muli o kēlā, ke kīpapa aku nei kēia mau hō'ike i ke ala e 'imi ai nā 'ōlelo 'ōiwi 'ē a'e i ko lākou ho'opili pono 'ana i ke a'o lumi papa me ke Kuleana Hō'ike Pikelala.

Hawaiian Language frameworks were developed for this assessment and in 2017 were approved by the Board of Education as the first native language pathway in assessment for the purposes of federal accountability in the United States. As a result, this assessment is leading the way for other indigenous languages to strive to effectively link classroom learning and teaching to federal accountability.

Eia hou, he hiki i nā kula ke ho'ohana i ka 'ikepili mai nā hō'ike KĀ'EO no ka ho'omohala 'ana i nā ha'awina ma nā lumi papa.

Additionally, schools are able to utilize the provided data from KĀ'EO to make informed decisions about curriculum.

Each KĀ'EO assessment will take approximately three hours to complete; however, the exact time each individual student needs may be greater or lesser than that. Should your child begin answering questions and later exit the exam, s/he will be allowed to return at another time or day to complete it. The online program will keep track of the questions that your child has answered and where s/he left off upon exiting the exam and will present the remaining questions your child has not yet seen when s/he resumes the assessment.

He hiki i nā kula ke ho'ohana i ka 'ikepili mai nā hō'ike KĀ'EO no ka ho'omohala 'ana i nā ha'awina ma nā lumi papa.

You can best help your child prepare by providing the consistent support that will help your child do well in school every day. Make sure your child gets adequate sleep, eats a nourishing breakfast, completes homework, and attends school every day.

The KĀ'EO Assessments measure how well your child is meeting the comprehensive content area standards that help guide your child's daily instruction throughout the school year. Because the Hawaiian Language is the foundation of these exams, strengthening Hawaiian Language usage at home is also beneficial.
